**Subject:** Pacific Western Technologies Region 8 Contract - Columbia Falls Aluminum Reduction Plant  
**Attachments:** PWT Montana office brochure.pdf

Hi Mike,

It sure has been a while – I do hope all is well with you and your family! Grandkids? Daughter graduated college probably – my how time flies!

My family has changed a bit – dogs don't live near long enough.

I was speaking with Joe Vranka and he mentioned you were the Project Manager for the soon-to-be-listed Columbia Falls site.

I just wanted to drop you a line and let you know that PWT is a Region 8 Remedial Action Contractor and would be available for any contractor support you may need. We have the support of numerous specialty firms as well as large companies (through both Region 8 and Region 9 contracts) to meet our client's needs. I have attached a general brochure for your information.

Let me know if you have any questions or there is anything we can do to help.

Of course I'd love to hear an update of your life regardless -

Thanks –

Catherine LeCours
